Phillip Rios, Sandoval County Manager
State of New Mexico
1500 Idalia Rd, Bldg. D
Bernalillo, NM 87004

Dear Mr. Rios,

The Pueblo of Zia would like to request a motorgrader you have in surplus. The Pueblo is the largest landowner in Sandoval County and several roads within the reservation are used by many residents of Sandoval County and New Mexico. In fact, the Ojito Wilderness within the reservation boundaries is visited by many people from across New Mexico and throughout the country, due to its breathtaking beauty. We would like to ensure everyone continues to have access to the wilderness area on well-maintained roads.

Since there are so many visitors within our borders we need to ensure our roads are properly maintained. We are both aware of the difficulty in maintaining primitive roads especially after experiencing weather. Your surplus motorgrader would greatly assist both the County and the Pueblo in maintaining our extensive road system.

We really hope you can assist us by granting our request. If you have any questions, feel free to contact me directly at (505)867-3304 ext. 223.

Sincerely,

A handwritten signature in black ink that reads "David Pino".

David Pino, Governor
PUEBLO OF ZIA
