

## Community Input and Suggestions

June 4, 2014

- Continue a comprehensive community assessment to exploit the diversity of the county
- Address sub-county mapping (census tract)
- Consider downloadable cell phone applications for resource access
  - Dial #211 for access to state resources and location services (United Way CNM and Share NM)
- Cooperate with the Mid-region Council of Government, Rio Metro and possibly the Department of Transportation, to address the relationship between transportation and education, healthcare and jobs
- Consider a communication plan for transportation services in the county
- Consider meeting with the All Indian Council (7 county pueblos) to further communication and coordination of health services
  - 2<sup>nd</sup> Wednesday of every month
