# **Portfolio Due Date has been extended!**

**Due to Extension Office  
Tuesday, October 15, 2024  
by 4:00pm**

Since the banquet will not take place until November and our judges for the portfolios will not be available until late October—Early November, I am extending submission date to October 15. We will officially change the date to September 30, 2025 for next year.

So, I hope this will allow a few more the time to complete record books and/or portfolio.

Remember – Record book completion is required to receive a year-end pin for each of your completed projects. Pins are not awarded just for participation in a project.

Portfolios are more extensive and contain 3 of your best project record books for the year along with a few other documents. Portfolios are judged and high score participants receive scholarships for state events. Seniors who submit portfolios can send them on to the State level for a chance at a trip to Washington D.C.

Besides this, these documents are the proof of your hard work and accomplishments. They highlight your mastery and may be used in the future for employment, educational scholarships, etc.

Great practice for the real world!

Any questions, please contact me.
