

**The New Mexico Environment Department
hereby issues this
*Solid Waste Facility Permit***

Type of Facility: **Municipal Solid Waste (MSW) Landfill**

Facility ID No: **SWM-0123365**

Facility Name & Location:
**Sandoval County Landfill
2708 Iris Road Northeast
Rio Rancho, NM 87124**

Located within portions of Sections 33 and 34, Township 13 North, Range 3E NMPM

Permit Issuance Date: **September 27, 2016**

Permit Expiration Date: **September 27, 2036**

Pursuant to NMSA 1978, §74-9-24 of the Solid Waste Act, this permit is granted for: the acceptance of municipal solid waste, construction and demolition debris, green wastes, scrap tires and recyclable materials; and modification of the landfill design to include a lateral and vertical expansion as specified in the May 12, 2016 permit application. Operation of the facility is subject to compliance with Permit Conditions contained in the September 27, 2016 Final Order, applicable portions of Solid Waste Rules (20.9.2–20.9.10 NMAC), and the approved Permit Application.

Given this 21st day of October, 2016.
